TEAMWORK HONESTY RESPECT RESPONSIBILITY

Term 4 Week 2 Newsletter 2020 Issue 17

FROM THE PRINCIPAL

Welcome back to what I know will be a fantastic but busy Term 4! This term we have many educational and extra-curricular activities planned across the school including Mini Relay For Life (held last Friday), Book Week, Riverland School Sport Basketball, Sporting Schools Tennis, Musicaviva, Swimming Lessons, Year 6/7 Aquatics, School Sport Athletics and Swimming in Adelaide, End of Year Concert and a Whole School Fun Day. We are looking forward to a very positive last term of learning, and celebrating student's learning successes throughout the year.

During the last week of term, our Choir students joined in Festival Sing Day with all other choir students from around South Australia. They had a great time watching the movie, singing and dancing; and we will be sharing the movie with the whole school throughout this term.

In the last week of school we had also planned to hold the Mini Relay For Life and although this was postponed due to poor weather, students still enjoyed the planned hot dogs and cupcakes that we provided, raising a total of $75.00. Last Friday we were able to actually hold the event, and this was again well supported by the school community, with both days raising $151.00 donated to Mrs. Foote's Relay For Life Team. A big thank you to everyone who assisted in the success of this fundraiser for the Cancer Council, with special mention to Mick Kelly for being our resident DJ – we are so lucky to have him, and all of the parents that were able to come along and support the students on the day.

Mr Lawson and the Bilby Learning Area have had an exciting week, with the arrival of a VEX Robotics Kit. This amazing piece of technology can be driven manually, or programmed using a computer to move on autopilot. We can not wait to see how this new piece of equipment adds to the learning of our students at school, and will share some photos as soon as it has had some regular use!

We have a Pupil Free Day scheduled for Monday 9th November (Week 5), where all teaching and SSO staff will participate in learning linked to the implementation of the Big Ideas in Number in classrooms, and then engage in targeted planning to inform the School Improvement Plan for 2021. Thank you to the Governing Council for your continued support with approving Pupil Free Days, supporting staff with key time for planning and data investigation to support the achievement of our School Improvement Goals.
Wishing you a great fortnight,
Kindest Regards,

Natalie Coote

ATTENDANCE

Please remember to inform the school of any planned or unplanned student absences. This may be a written, verbal or phone explanation prior to, or 'on the day' and a follow up note in your child's message book/diary the next day.
This will help the school to maintain accurate records.

Our 2020 attendance target is 96% or greater

Year to Date (2020)
The average daily attendance rate Year to Date, derived from student attendance data sourced from the school systems as at 15/10/2020

Book Week this year is being held on Week 2 of Term 4 (October 19th - 23rd). **On Friday 23rd October (Week 2)** we will be holding a Dress-Up Day where students can come dressed as their favourite book character or something in line with the theme of the week which is "Curious Creatures, Wild Minds".

TERM 4 Assemblies

Week - 6-18th November 3.00pm

Week - 9-11th December 1.45pm

ice blocks

IN TERM 4 THE SRC WILL BE SELLING ICE BLOCKS ON FRIDAYS FOR 50C EACH. PLEASE BRING ALONG A COIN TO COOL DOWN.

On 23rd September Jarrod, Laila, Sameika and Rylee participated in Festival Sing 2020, it was a wonderful opportunity for the choir students to join in with other schools and sing the songs from this year's Festival of Music repertoire. We compiled some footage of the students singing to be used on the Festival Sing website.

FOSTER CARERS NEEDED

MORE foster carers are needed in the Riverland to support young people in need of safe homes and positive relationships. Foster carers help provide support and care to our region's most vulnerable children and young people. They play a significant role in welcoming young people from the local area into their homes and families to ensure they have access to familiar schools, sporting activities, friends and relatives. Carers can choose to provide long-term, short-term, respite or occasional care. By joining ac.care's network, carers also have ongoing support from a team based in the Riverland, providing specific training and 24/7 on-call support services. It takes many different people to provide sustainable placements for children of all ages, from infants through to teenagers. Foster carers can be of any gender, single or in a relationship, with or without children and there are options to balance working with foster care. If you would like to find out more about how to become a foster carer, don't hesitate to call ac.care Riverland foster carer recruitment, assessment and training officer Brenton on 8580 5303, visit our website at www.accare.org.au and keep up to date with activities on Facebook at www.facebook.com/accarecommunity

Mini Relay For Life

On Friday 16th October the students participated in the **Mini Relay For Life** on our KOMPS oval. The students and staff had lots of fun walking, dancing and singing to songs, despite the rain at times. **A HUGE** thankyou to Mick Kelly for being our school DJ and providing tunes, smoke machine, lights and lots of laughter. Thanks to all the parents for attending or providing a monetry donation. Thanks to the staff for organinsing the day. A total of $151 was raised over the 2 days **(FANTASTIC),** this will all be donated to Mrs Foote's Relay For Life Team The Juicy Jellies.

After Hours Emergency 0437 733 350

Is your child due for their dental check-up?

If your child hasn't had their regular dental check-up yet, the upcoming school holidays is an ideal time to book an appointment without having to worry about taking them out of school.

Prevention is always better than cure – which is why regularly assessing your child's teeth is the most effective way to keep their dental health on track from childhood right through to adulthood.

Your child may also be eligible for **$1000 FREE basic dental care** every two years through the Child Dental Benefits Schedule (CDBS).

To book an appointment and/or find out if your child is eligible today, give us a call on (08) 8582 1944.

Parenting and Family Support Program's

Young Parents

Young Parents is a FREE program that helps parents and carers (*20 years and under*), build an understanding of child development and supportive approaches to parenting.

Our workshops are full of helpful information with a choice of simple, practical strategies that each family can adapt for their own parenting situations.

Topics to support your parenting include:

- **Being a parent**
- **What influences your parenting**
- **Baby and child development**
- **What parents can do to help healthy development**

Our workshops are based on the latest parenting research and use information from **Parenting SA.**

Creche and light lunch provided

Where: Chaffey Community Centre, Renmark
When: Part 1 - Tuesday 20th October
Part 2 - Wednesday 21st October
Time: 9.30am – 12.00pm
To book: Please contact Caroly on 0436 482 287 Or Carolynne.DuRieu@sa.gov.au or 85866063

Everyone is welcome, however bookings are essential
Please arrive 10 minutes early to register
Delivered by the Department of Human Services
Parenting and Family Support Team

Government of South Australia — Helping parents be their best

A relationship based parenting program

We are all 'hard wired' to seek security. This need for secure relationships is 'built-in' to our most important interactions throughout every hour of every day.

At times all parents feel lost or without a clue about what our child might need from us. Imagine what it might feel like if you were able to make sense of what your child was really asking from you. The Circle of Security® Parenting™ program is based on decades of research about how secure parent-child relationships can be supported and strengthened.

This course is ideal for mothers, fathers, significant others, parents to be, grandparents, foster and adoptive parents or anyone that is providing care for children.

Learning Objectives of the Training:

- Understand your child's emotional world by learning to read the emotional needs
- Support your child's ability to successfully manage emotions
- Enhance the development of your child's self esteem
- Honour your innate wisdom and desire for your child to be secure
